Dear Valued Customer:

Hartzell Propeller, Inc. is pleased to formally recognize Safe Air Limited as a member of the Hartzell Recommend Service Facility Network. In order to obtain this status, a propeller repair station must be fully equipped and trained on Hartzell products, perform specialized processes, and demonstrate very high quality standards. Only 22 facilities worldwide currently hold this endorsement.

Safe Air Limited is a highly professional and valued network member, and demonstrates top quality standards in Hartzell propeller overhaul and repair. Safe Air Limited has many years of experience maintaining Hartzell propellers and components.

Having passed rigorous audits by Hartzell personnel, Safe Air Limited strictly follows Hartzell requirements for tooling, systems, and procedures, including formal Hartzell factory training and special process certifications.

Safe Air Limited also supports our customers as a Warranty Center. Partnering closely with the Hartzell factory, Safe Air Limited receives preferred technical and parts support on warranty issues. This relationship ensures that Hartzell customers receive the highest quality warranty repair work, processed in the shortest possible time.

Hartzell strongly encourages our customers to use the Hartzell Network facilities for their propeller repair and overhaul needs. As a member of this network, Safe Air Limited offers the highest quality propeller overhaul and repair work available today, reflecting Hartzell's strong customer commitment and our reputation of "Built on Honor".

Sincerely,

Joseph W. Brown
